

## Technical Connection Information 2017

We would like to conduct brief tests to ensure you will be comfortable calling into the Erie Canal Mystery through History Zoom meeting space. I will have the weeks of April 4-7 and April 10-13 available for testing your connection to the Zoom meeting. I will be available to pop into the room and talk with you to make sure audio and video is set-up properly etc. Please send me a note when you would like to test (my hours are 7am-3pm) and I should be able to accommodate most times depending on schedule etc.

If calling from a Polycom Video Conferencing unit

162.255.36.11##812232962

Tandberg/Cisco Video Conferencing unit

[812232962@162.255.36.11](mailto:812232962@162.255.36.11)

To Join by Zoom use meeting ID: 812232962

To join non-interactive and from a computer etc. use link below

Join from PC, Mac, Linux, iOS or Android: <https://zoom.us/j/812232962>

We would like to have participant's call in approx. 10 minutes before start time so we are all ready when the program is scheduled to start. The students do not need to be in the room during this time, but as this event is on a tight schedule we need to have everyone connected early so that we can start on time. Please be aware this will be a shared program with up to 6 classrooms viewing and any late arrivals will be disruptive if the program is underway.

If you have any comments questions concerns feel free to send me an e-mail or call either number below and I should be able to help you.
